2021 TFT NATIONAL CHAMPIONSHIPS - Invitation only

This is a massive 😊 4 day Event running in 2 adjoined theatres simultaneously.

Should dreams come true and your school/club qualify at State Finals 😊. Coaches will advise approx. one week **AFTER Finals** which sections/genres are programmed on what days for Nationals.

Thank you for your continued support and understanding of the need to be flexible in a Covid19 world.

Due to the pandemic we need to keep in mind it is a 4 day Event and as such we should all remain flexible and available to be programmed, come July, on any of the four days of the Event. None of us know if and when Covid may throw a spanner in the works and if so, we will find ourselves with the need to do some fast Event juggling

Please also note that for those genres *that are* listed specifically below at this stage, due to Covid19's unpredictability, these sections *may also need to adjust.*

TFT advises all sections/ages/genres are subject to change and **strongly recommend if you are making travel or accommodation arrangements PRIOR to mid-July when the draft program will be released to your Coaches**, you ensure you take full travel insurance and only book where full refunds are available. We cannot emphasise enough that in the Covid19 world we are all working in, this is of paramount importance to avoid fiscal issues or inconvenience.

TFT will not be held responsible for any loss, expenses or inconvenience incurred should changes to any details below be deemed necessary.

Schoolaerobics National Championships	Dancestar National Championships	Glee! National Championships	100% Cheer National Championships
